

# Philip Labes - Jeff Found a Genie

tom:

G

[Primeira Parte]

Jeff found a genie in a bottle  
Who said, "I can give you anything you ask  
You can have your wishes, three  
And a million more for free  
It's unlimited just set me to the task"

[Segunda Parte]

Well, Jeff thought awhile, said, "I want houses  
I want boats, I want fancy modern art  
I want tickets to the MET  
I want my own private jet  
And a rocket into space just for a start!"

[Terceira Parte]

Well, the genie waved her arms and made it happen  
His every wish bolted from the blue  
And folks all over town  
Grew enamored, gathered 'round  
To admire the man who wishes had come true

[Refrão]

They said, "Let's hear it for the man who has everything  
By good fortune he was set so far apart  
Yeah let's hear it for Jeff who's got everything

?Cause his wishes are only at the start"

[Quarta Parte]

Well, Jeff heard their shouts and he grew worried  
He said, "Everybody's getting in my way"  
The genie smiled as before  
"You've got a million wishes more  
You can even give a bunch of them away"

[Quinta Parte]

Well, Jeff got confused and sorta quiet  
'Til he finally said, "I have just one wish more  
I am satisfied  
So I wish that you would die  
So you cannot grant wishes anymore"

Well, the genie's eyes got big and sad and shiny  
?Til she finally said, "Your wish is my command"  
And with an effervescent sigh  
She disappeared before his eyes  
And no wishes were ever granted there again

[Refrão]

So let's hear it for the man who has everything  
By good fortune he was set so far apart  
Yeah let's hear it for Jeff who's got everything  
Every single fucking thing except a heart
