

# Phillip Long - If The Band Leaders Are Dead

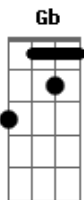

You know, lovers are dead  
 Dead and gone  
 tom:  
 If the band leaders are dead  
 Why, why we should care about music  
 Music is dead  
 Dead and gone  
 But I love you somehow  
 I love humanity in you  
 Running like rabbits  
 Running for carrots  
 Oh, guess I'm in love
