

## Phillip Long - Sugar

Tom: **C**

**F**  
Oh Sugar  
**G**  
Your whispers and moans  
**C** **F**  
Shake my legs and my bones

**F**  
Just tell me  
**G**  
What do you want?  
**C**  
It's too simple

**F**  
Tell me your favorite song  
**G**  
Tell me you're lazy and lonely  
**C**  
Tell me something  
**F**  
I would guide you home

**F**  
Tell me anyway  
**G**  
Do you come or just fake it?  
**C**  
Cause all I see is this haze  
**F**  
Over the bed where we lay

**F**  
Oh freckled  
**G**

Should I behave?

**C**  
Should I shave?

**C**  
Should I shave?

**F**  
Oh c'mon

**F**  
Tell me your favorite song

**G**  
Tell me you're lazy and lonely

**C**  
Tell me something

**F**  
I would guide you home

**F**  
Tell me anyway

**G**  
Do you come or just fake it?

**C**  
Cause all I see is this haze

**F**  
Over the bed where we lay

**F**  
Oh freckled

**G**  
Should I behave?

**C**  
Should I shave?

**C**  
Should I shave?

**F**  
Oh c'mon

## Acordes
