

Phillip Phillips - Get Up Get Down

Tom: C

Am Get up, get down, get a little bit closer to the scene F
G Find out what's there, something new to conceive D
Am Get up, get down, get a little bit closer to me D
F Find out what's there what you can be G
A|- D
A Yesterday was our time to turn back again D
A And instead we went through the fire to get lost in sin D
A Burn, baby, burn let me cool you down again D
A Turn, baby, turn to see where it all begins A
Gbm 'Cause it's alright, it's out there A
E Go and get lost, girl Gbm
D It's alright, I'm out there A
N.C.
Let me take control

Am Get up, get down, get a little bit closer to the scene F
G Find out what's there, something new to conceive D
Am Get up, get down, get a little bit closer to me D
F Find out what's there what you can be G G Ab
A|-D
A Walk it off but keep it on let it take control of D
A Every cell inside your body, each and every bone D
A Burn, baby, burn -- let's cool it down again D
A Turn, baby, turn to see where it all begins

Gbm Yeah it's alright, it's out there D A
E Go and get lost, girl Gbm
D It's alright, I'm out there A
N.C.

Let me take control

Am Get up, get down, get a little bit closer to the scene F
G Find out what's there, something new to conceive D
Am Get up, get down, get a little bit closer to me D
F Find out what's there what you can be G
Am Na na na na na no F
G Na na na na na no
D Na na na na na no
Am Get up, get down, just a little bit
D Get up, get down, just a little bit
F Get up, get down, let's get lost in this merry-go-round and round G

Am Na na na na na no F
G Na na na na na no
D Na na na na na no
Am Get up, get down, just a little bit
D Get up, get down, just a little bit
F Get up, get down, find out what's there, find out, baby, it's you and me G

Am Get up, get down, move a little bit closer to the scene F
G Find out what's there, something new to conceive D
Am Get up, get down, get a little bit closer to me, girl D
F Find out what's there what you can be G

Am Get up, get down, move a little bit closer to the scene F
G Find out what's there, something new to conceive D
Am Get up, get down, get a little bit closer to me, girl D
F Find out what's there what you can be G G Ab
