Baby what goes up, must come back down  
**Em**  
You're the sky and I'm the ground  
**Bm**  
No matter what I do, I keep falling into you  
**Em**  
It was hard but I figured it out  
**Bm**  
It might have taken me a minute  
**Bm**  
But now I finally get it

**G** **Em**  
You're magnetic, magnetic  
**Bm** **D**  
Pushin' and pullin' me Oh oh oh oh  
**G** **Em**  
You're so magnetic, magnetic  
**Bm**  
I'm right where I want to be  
**Bm**  
Right where you wanted me

**Bm**  
See if you really love it  
**Bm**  
You gotta let go of it  
**Em**  
And see if it comes back  
**Bm**  
The only thing I know is you've never let me go  
**Em**  
Cause I guess it's really a trap  
**Bm**  
It might taken me a minute  
**Bm**  
But now I finally get it
