

Phillip Phillips - Searchlight

Tom: C

(Verso 1)

Am G
Take one step
F
And make it count
Am G F
Hold your breath and let it out
Am G F
Cause love don't set, say it loud
Am G
There's a fire in me
F
That's still burning

(Refrão)

(Am G F)
I'm sending out a searchlight
Send it out until I find you
Can you bring me back to life (C C Am7 G)
With my heart in smithereens?
I wanna feel what is like
To be surrounded by you
So I'm sending out a searchlight
To bring you back to me

(C C Am7 G)

(Verso 2)

(Am G F)
Lost again
In this night
The sun just leads me into shadows
In my bones, in my blood
You're my disease
Like a remedy

(Refrão)

I'm sending out a searchlight
Send it out until I find you
Can you bring me back to life (C C Am7 G)
With my heart in smithereens?
I wanna feel what is like
To be surrounded by you
So I'm sending out a searchlight
To bring you back to me

(C C Am7 G)

(Ponte)

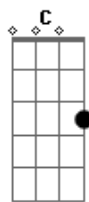

G (C C Am7 G)
Like wild river
G (C C Am7 G)
In a hurricane (C C Am7 G)
Like a fallen empire
G
I will rise again
Am G
Take on step
F
And make it count

(Refrão)

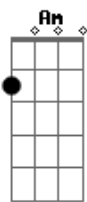

I'm sending out a searchlight
Send it out until I find you
Can you bring me back to life (C C Am7 G)
With my heart in smithereens?
I wanna feel what is like
To be surrounded by you
So I'm sending out a searchlight
To bring you back to me

(C C Am7 G) Am
