**G** **C** **G**  
**Em** **C** **G** **D**

[Primeira Parte]

**G** **C** **G**  
I'm singing at a funeral tomorrow  
**Em** **C** **D**  
For a kid a year older than me  
**G**  
And I've been talking to his dad  
**C** **G**  
It makes me so sad  
**C** **D** **G**  
When I think too much about it I can't breathe

[Segunda Parte]

**G** **C** **G**  
And I have this dream where I am screaming underwater  
**Em** **C** **D**  
While my friends are all waving from the shore  
**G** **C** **G**  
I don't need you to tell me what that means  
**C** **D** **G**  
I don't believe in that stuff anymore

[Refrão]

**Em** **C** **G** **D**  
Jesus Christ, I'm so blue all the time  
**Em** **C**  
And that's just how I feel  
**G** **D**  
Always have  
**Em** **C**  
And I always will  
**G** **D**  
I always have an' always will  
( **Em** **C** **G** **D** )  
( **Em** **C** **G** **D** )

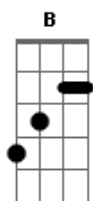

[Terceira Parte]

**G** **C** **G**  
And I have a friend I call  
**Em** **C** **D**  
When I've bored myself to tears  
**G** **C** **G**  
And we talk until we think we might just kill ourselves  
**C** **D** **G**  
But then we laugh until it disappears  
**D** **G**  
Last night I blacked out in my car  
**Em** **C** **D**  
And I woke up in my childhood bed  
**D** **G** **C** **G**  
Wishing I was someone else, feeling sorry for myself  
**C** **D** **G**  
And I remembered someone's kid is dead

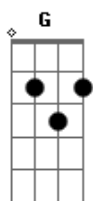

[Refrão]

**Em** **C** **G** **D**  
Jesus Christ, I'm so blue all the time  
**Em** **C**  
And that's just how I feel  
**G** **D**  
Always have  
**Em** **C**  
And I always will  
**G** **D**  
I always have an' always will  
( **Em** **C** **G** **D** )  
( **Em** **C** **G** **D** )  
**C** **G** **D** **G**  
And it's 4AM, again  
**C** **G** **D** **G**  
And I'm doing nothing  
**C**  
Again  
( **G** **C** **G** **Em** )  
( **C** **G** **D** )  
( **G** **C** **G** **Em** )  
( **C** **G** **D** )
