

Phoebe Bridgers - Graceland Too

tom:
Capostrate na 3ª casa

No longer a danger to herself or others
She made up her mind and laced up her shoes
Yelled down the hall but nobody answered
So she walked outside without an excuse

She could do anything she wants to
She could do whatever she wants to do
She could go home, but she's not going to

So she picks a direction, it's ninety to memphis
Turns up the music so thought don't intrude
Predictably winds up thinking of elvis
And wonders if he believed songs could come true

I'm asking for it if they do
Doesn't know what she wants
Or what she's gonna do
A rebel without a clue

(Cadd9 G D Em D)
(Cadd9 G D Em D)
(Cadd9 G D Em D)

(Cadd9 G D Em D)

So we spent what was left of our serotonin
To chew on our cheeks and stare at the moon
Said she knows she'll live through it
To get to this moment
Ate a sleeve of saltines
On my floor, and i knew that

I would do anything you want me to
I would do anything for you
I would do anything
I will do anything
Whatever you want me to do, i will do

Whatever she wants
Whatever she wants
Whatever she wants (whatever you want)
Whatever she wants (whatever you want)
I will do anything (whatever you want)
I will do anything (whatever you want)
Whatever she wants (whatever you want)
Whatever she wants (whatever you want)
