

Phoenix - If I Ever Feel Better

Tom: **D**

[Verso]

D7M
They say an end can be a start
Dbm
Feel like I've been buried yet I'm still alive
E
It's like a bad day that never ends
D7M
I feel the chaos around me
Dbm
A thing I don't try to deny
Gbm
I'd better learn to accept that
Gbm F E A
There are things in my life that I can't control
D7M Dbm
They say love ain't nothing but a sore
Gbm
I don't even know what love is
D7M Dbm
Too many tears have had to fall
Gbm
Don't you know I'm so tired of it all
D7M Dbm
I have known terror dizzy spells
Gbm
Finding out the secrets words won't tell
D7M Dbm
Whatever it is it can't be named
Gbm
There's a part of my world that's in the way
D7M Dbm
You know I don't want to be clever
Gbm
To be brilliant or superior
D7M Dbm
True like ice, true like fire
Gbm
Now I know that a breeze can blow me away
D7M Dbm
Now I know there's much more dignity
Gbm
In defeat than in the brightest victory
D7M Dbm
I'm losing my balance on the tight rope
Gbm
Tell me please, tell me please, tell me please

[Refrão]

Gbm E A7M
If I ever feel better
D7M E Gbm
Remind me to spend some good time with you
Gbm E A7M
You can give me your number
D7M E Gbm
When it's all over I'll let you know

[Verso]

D7M
Hang on to the good days
Db7
I can lean on my friends
E
They help me going through hard times
D7M
But I'm feeding the enemy
Db7
I'm in league with the foe
Gbm
Blame me for what's happening
Gbm F E A
I can try, I can try, I can try
D7M Dbm

No one knows the hard times I went through
Gbm
If happiness came I miss the call
D7M Dbm
The stormy days ain't over
Gbm
I've tried and lost know I think that I pay the cost
D7M Dbm
Now I've watched all my castles fall
Gbm
They were made of dust, after all
D7M Dbm
Someday all this mess will make me laugh
Gbm
I can wait, I can wait, I can wait

[Refrão]

D7M
It's like somebody took my place
Dbm
I ain't even playing my own game
Gbm
The rules have changed well I didn't know

There's a part of my life that will go away
D7M Dbm
Dark is the night, cold is the ground
Gbm
In the circular solitude of my heart
D7M Dbm
As one who strives a hill to climb
Gbm
I am sure I'll come through I don't know how
D7M Dbm
They say an end can be a start
Gbm
Feels like I've been buried yet I'm still alive

Tell me please, tell me please, tell me please
