

# Phoenix - If I Ever Feel Better

Tom: **D**

[Verso]

**D**  
 They say an end can be a start  
**Dbm**  
 Feel like I've been buried yet I'm still alive  
**E**  
 It's like a bad day that never ends  
**D**  
 I feel the chaos around me  
**Dbm**  
 A thing I don't try to deny  
**Gbm**  
 I'd better learn to accept that  
**Gbm** **F** **E** **A**  
 There are things in my life that I can't control  
**D** **Dbm**  
 They say love ain't nothing but a sore  
**Gbm**  
 I don't even know what love is  
**D** **Dbm**  
 Too many tears have had to fall  
**Gbm**  
 Don't you know I'm so tired of it all  
**D** **Dbm**  
 I have known terror dizzy spells  
**Gbm**  
 Finding out the secrets words won't tell  
**D** **Dbm**  
 Whatever it is it can't be named  
**Gbm**  
 There's a part of my world that's in the way  
**D** **Dbm**  
 You know I don't want to be clever  
**Gbm**  
 To be brilliant or superior  
**D** **Dbm**  
 True like ice, true like fire  
**Gbm**  
 Now I know that a breeze can blow me away  
**D** **Dbm**  
 Now I know there's much more dignity  
**Gbm**  
 In defeat than in the brightest victory  
**D** **Dbm**  
 I'm losing my balance on the tight rope  
**Gbm**  
 Tell me please, tell me please, tell me please

[Refrão]

**Gbm** **E** **A**  
 If I ever feel better  
**D** **E** **Gbm**  
 Remind me to spend some good time with you  
**Gbm** **E** **A**  
 You can give me your number  
**D** **E** **Gbm**  
 When it's all over I'll let you know

[Verso]

**D**  
 Hang on to the good days  
**Db7**  
 I can lean on my friends  
**E**  
 They help me going through hard times  
**D**  
 But I'm feeding the enemy  
**Db7**  
 I'm in league with the foe  
**Gbm**  
 Blame me for what's happening  
**Gbm** **F** **E** **A**  
 I can try, I can try, I can try  
**D** **Dbm**

No one knows the hard times I went through  
**Gbm**  
 If happiness came I miss the call  
**D** **Dbm**  
 The stormy days ain't over  
**Gbm**  
 I've tried and lost know I think that I pay the cost  
**D** **Dbm**  
 Now I've watched all my castles fall  
**Gbm**  
 They were made of dust, after all  
**D** **Dbm**  
 Someday all this mess will make me laugh  
**Gbm**  
 I can wait, I can wait, I can wait

[Refrão]

**Gbm** **E** **A**  
 If I ever feel better  
**D** **E** **Gbm**  
 Remind me to spend some good time with you  
**Gbm** **E** **A**  
 You can give me your number  
**D** **E** **Gbm**  
 When it's all over I'll let you know  
**Gbm** **E** **A**  
 If I ever feel better  
**D** **E** **Gbm**  
 Remind me to spend some good time with you  
**Gbm** **E** **A**

**D** **E** **Gbm**

[Verso]

**D**  
 It's like somebody took my place  
**Dbm**  
 I ain't even playing my own game  
**Gbm**  
 The rules have changed well I didn't know  
**Gbm** **F** **E** **A**  
 There are things in my life that I can't control  
**D** **Dbm**

**Gbm**

**D** **Dbm**  
 I'd better learn to accept that  
**Gbm** **F** **E** **A**  
 There's a part of my life that will go away  
**D** **Dbm**  
 Dark is the night, cold is the ground  
**Gbm**  
 In the circular solitude of my heart  
**D** **Dbm**  
 As one who strives a hill to climb  
**Gbm**  
 I am sure I'll come through I don't know how  
**D** **Dbm**  
 They say an end can be a start  
**Gbm**  
 Feels like I've been buried yet I'm still alive  
**D** **Dbm**  
 I'm losing my balance on the tight rope  
**Gbm**  
 Tell me please, tell me please, tell me please

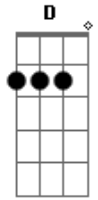

[Refrão]

**D** **E** **Gbm**  
 Remind me to spend some good time with you  
**Gbm** **E** **A**  
 You can give me your number  
**D** **E** **Gbm**  
 When it's all over I'll let you know

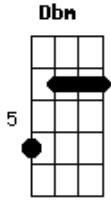

**Gbm** **E** **A**  
 If I ever feel better  
**D** **E** **Gbm**  
 Remind me to spend some good time with you
