

# Phoenix - Long Distance Call

Tom: **Bb**

(com acordes na forma de **G** )  
 Capotraste na 3ª casa  
 Since the cd version doesn't have any rythmguitar Long distance call needs to be played like on the bbc2 radioprogram. If you are unable to get that version try to play these chords with the cd. Sounds pretty funky!

from bbc2 radioprogram:	capotasto on third fret
from cd:	capotasto on fifth fret
Live gig	capotasto on fifth fret

What is a capotasto?  
 A capo (aka "capotasto") is a mechanical device that clamps across the guitarneck holding all the strings down at one fret.  
 It enables you to play in different keys.  
 Intro: Note:  
 the intro chords are easiest played

if the thumb is used to push down the bass **E** string notes.

## VERSE

where to go I ..... about it 26-10 was...

## CHORUS

I'm far gone but and your capi - tol letters

During the "It's never been like that" part you play the same chords as during the intro.
