

Phoenix - Love For Granted

Tom: Eb

(com acordes na forma de D)
Capostrate na 1ª casa
Capo 1st Fret

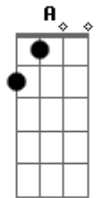

D These days are gone loud enough to hold on
D I think about the time we wasted, I think about the years to come
G It's getting late and I can't call, it's getting late to face it all
D I think about the time we wasted, my loneliness has slowly grown
G I told you not to cross the line and leave me with your love for granted
A The letters from your broken heart I think I might have lost them somewhere
G G 000h - oooh, don't tell me 'bout your lies
A 000h - oooh, don't tell me 'bout your secrets
D My love is easy, you are everything I need
D Now your love is gone I want it safe and guaranteed
G Life is such a fine line, looking at the bright line
D I think about the time we wasted for someday I'll be coming

too
G Tonight is dying on its own and now I got your love for granted
A It doesn't matter right or wrong as long as you are hiding somewhere

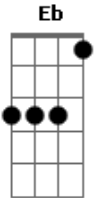

Chorus

Even though we've said it all
G I would never let us fall with you
G Hang on to a little chance, you bet I'm in,
Bm If it is for better
G this illusion comes after, it's true
G Hang on to a little chance, you bet I'm in
Bm Even though we've said it all
G I would never let us fall with you
G Hang on to a little chance, you bet I'm in
Bm If it is for better
G this illusion comes after, it's true
G Hang on to a little chance, you bet I'm in
