

# Phone Trio - Soundtrack For a 2001 Teenage Romance

Tom: C

C  
Cause it feels so good when I'm with you

G  
And we've got nothing else to do

Ab G A F  
But listen to that love song all night long

(solo) C G A G F Ab G

C G  
I'm staring at the sky

F A G  
And deeply wishing I could have your hand to hold in mine

C  
I'm thinking about you

G  
You're just so far away

F A G  
That CD's on the stereo and our song's set to replay

C  
My heart's calling you

F  
I think about the time we shared

A G  
Laying down in bed

G F C A  
Just talking about our first times and heartaches in the past

F A  
And still it was right there

G F Ab G  
Next to our bed your favorite CD

And I can't stop playing it!

C  
It feels so good when I'm with you

G  
And we've got nothing else to do

A G F  
But listen to that love song all night long

Ab G C G A  
You see, that old Ataris record is just getting nasty holes

G A F  
But it holds our song

C G  
Our song

Now's just one week to go

A G F  
My heart is full of feelings that I didn't even know

C  
I'm missing you like hell

G  
Our star's at the sky

A G  
And it's shining brighter that I ever thought a star could shine

C  
Like that glow into your eyes

F  
It reminds me of the night we met

Ab G  
That show I can't forget

C G A  
It was "I.O.U. One Galaxy" the soundtrack of our first kiss

A  
Not just a moment in the past

G F Ab G  
But a song that will forever last in my heart

C  
It feels so good when I'm with you

G  
And we've got nothing else to do

A G F  
But listen to that love song all night long

Ab G C G  
You see, that old Ataris record is just getting nasty holes

G A F  
But it holds our song

C  
Cause it feels so good when I'm with you

G  
And we've got nothing else to do

A G F  
But listen to that love song all night long

Ab G C G  
You see, that old Ataris record is just getting nasty holes

C  
But it holds our song

G A G F  
Our song

## Acordes
