```
tom:
           D
 Everything you'll hear
Everything you'll want
 Nothing is real
It's just an illusion that you made
A feeling that tomorrow you'll must to say
I look in your eyes and see a beautiful sky
        Dm
I have a change
I have a change
         Dm Bb
To real life
        Gm
I have a change

 It's a mission hard
 It's a mission strong

But my heart remains
