Capostrate na 4ª casa

Am
Sunshine;

There ain't a thing that you can do that's gonna ruin my night **F** **G**
(But there's just something about)

Am
This dizzy dreamer and her bleeding little blue boy

F **G**
Licking your fingers like you're done and

F **G**
You've decided there is so much more than me. (Oh)

Am **G**

F
And baby honestly it's harder breathing next to you, I shake

G
I brought a gun and as the preacher tried to stop me,

Am **G**
Hold my heart it's beating for you anyway

Am **Em**
What if I can't forget you? (Oh)

F
I'll burn your name into my throat

G
I'll be the fire that'll catch you

Am **Em**
What's so good about picking up the pieces?

F **G** **Am**
None of the colors ever light up anymore in this hole

F
Oh

G **Am**
Nobody prays for the heartless (No!)

F
Nobody gives another penny for the selfish

G
(You're learning how to taste what you kill now)

Am
Don't mind me, I'm just reaching for your necklace

F **G**
Talking to my mom about this little girl from Texas

Am **Em**
What if I can't forget you? (Oh)

F
I'll burn your name into my throat

G
I'll be the fire that'll catch you

Am **Em**

What's so good about picking up the pieces?

F **G** **Am**
None of the colors ever light up anymore in this hole

Em
Just give her back to me

F **G**
You know I can't afford the medicine that feeds what I need

Am **Em**
So baby what if I can't forget you? (What if I can't forget you?)

F **G**
Collide invisible lips like a shadow on the wall and just throw, oh no

You can't just throw me away!

Bridge However You Please- My suggestion (**Am** x12, **Em** x2)

Am
So what if I can't forget you?

Em **F**
I'll burn your name into my throat

G
I'll be the fire that'll catch you

Am **Em**
What's so good about picking up the pieces?

G
What if I don't even want to

Am **Em**
What if I can't forget you? (Oh)

F
I'll burn your name into my throat

G
I'll be the fire that'll catch you

Am **Em**
What's so good about picking up the pieces?

F **G** **Am**
None of the colors ever light up anymore in this hole

Em
Just give her back to me

F **G**
You know I can't afford the medicine that feeds what I need

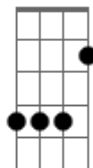

Am **Em**
So baby what if I can't forget you? (What if I can't forget you?)

F **G**
I'd better learn to live alone

Am **F** **G** **Am**
what's so good about picking up the pieces?
