

Pierce The Veil - Hold On Till May

Intro: C Em tom: Am

[Primeira Parte]

A2
She sits up high, surrounded by the sun
One million branches and she loves every one
"Mom and dad, did you search for me?
I've been up here so long I'm going crazy!?

[Refrão]

A2
And as the sun went down we ended up on the ground
I heard the train shake the windows
You screamed over the sound
And as we own this night
I put your body to the test with mine
This love was out of control
Where did it go?

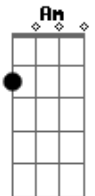

(C Em)

[Segunda Parte]

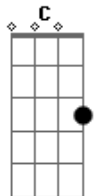

A2
Now don't be crazy
Yes now, of course you can stay here
Been in a touring band for going on ten years
Big deal, I guess you're official
I only said it 'cause I know what it's like to feel
Burned out, it gets you down
We've all been there sometimes
But tonight I'll make you feel beautiful once again

[Refrão]

[Terceira Parte]

A2
If I were you, I'd put that away
See, you're just wasted
And thinking about the past again
Darling you'll be okay
And she said

A2
"If you were me, you'd do the same
'Cause I can't take anymore

I'll draw the shades and close the door
Everything's not alright and I would rather?"

[Refrão]

A2
And as the sun went down we ended up on the ground
I heard the train shake the windows
You screamed over the sound
And as we own this night
I put your body to the test with mine
This love was out of control
Tell me where did it go?
