

# Pierce The Veil - Kissing In Cars

Tom: C

G  
As we wake up in your room  
C  
Your face is the first thing I see  
Em  
The first time I've seen love  
C  
And the last I'll ever need  
G  
You remind her that your future  
C  
Will be nothing without her  
Em  
Never lose her, I'm afraid  
C  
Better think of something good to say  
G  
But it's all been done more than once. I'll keep on trying  
Em  
Oh god don't let me be the only one who says  
G  
No, at the top of our lungs there's no No, such thing as too  
young  
Em  
Second chances won't leave you alone  
G  
Then there's faith in love  
G  
She was always the one  
C  
I'll repeat it again, the one. No such thing as too young  
Em  
Red lights flashing on the car we're kissing in

C  
Call me crazy, I've always tried to remind her  
G  
That the future's just a few heartbeats away  
Em  
from disaster  
C  
I'm afraid that I've thrown it all away  
G  
No, at the top of our lungs there's no. No, such thing as too  
young  
C  
Second chances won't leave you alone  
G  
No, at the top of our lungs there's no. No, such thing as too  
young  
Em  
Second chances won't leave you alone  
G  
No, we'll repeat it again, there's no. No such thing as too  
young  
Em  
Second chances won't leave you alone  
G  
Cause there's faith in love  
C  
If you kiss me goodnight  
C  
I'll know everything' is alright  
Em  
Second chances won't leave us alone  
Em  
Won't leave us alone  
G  
Cause there's faith in love
