

Pierce The Veil - Kissing In Cars

Tom: **G**

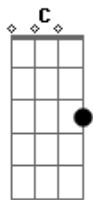

G
As we wake up in your room
C
Your face is the first thing I see
Em7
The first time I've seen love
G
And the last I'll ever need
G
You remind her that your future
C
Will be nothing without her
Em7
Never lose her, I'm afraid
G
Better think of something good to say
G
But it's all been done more than once. I'll keep on trying **C**
Em7
Oh god don't let me be the only one who says **G**
G
No, at the top of our lungs there's no No, such thing as too **C**
young **G**
Em7
Second chances won't leave you alone
G
Then there's faith in love
G
She was always the one
C
I'll repeat it again, the one. No such thing as too young
Em7
Red lights flashing on the car we're kissing in

G
Call me crazy, I've always tried to remind her **G**
That the future's just a few heartbeats away **C**
from disaster **Em7**
I'm afraid that I've thrown it all away **G**
G
No, at the top of our lungs there's no. No, such thing as too **C**
young
Em7
Second chances won't leave you alone **G**
G
No, at the top of our lungs there's no. No, such thing as too **C**
young
Em7
Second chances won't leave you alone **G**
G
No, we'll repeat it again, there's no. No such thing as too **C**
young
Em7
Second chances won't leave you alone **G**
G
Cause there's faith in love
If you kiss me goodnight
C
I'll know everything' is alright
Em7
Second chances won't leave us alone **G**
Em7
Won't leave us alone
G
Cause there's faith in love
