

# Pierce The Veil - Kissing In Cars

Tom: **G**

**G**  
As we wake up in your room  
**C**  
Your face is the first thing I see  
**Em**  
The first time I've seen love  
**G**  
And the last I'll ever need  
**G**  
You remind her that your future  
**C**  
Will be nothing without her  
**Em**  
Never lose her, I'm afraid  
**G**  
Better think of something good to say  
**G**  
But it's all been done more than once. I'll keep on trying  
**Em**  
Oh god don't let me be the only one who says  
**G**  
No, at the top of our lungs there's no No, such thing as too  
**Em**  
young  
Second chances won't leave you alone  
**G**  
Then there's faith in love  
**G**  
She was always the one  
**C**  
I'll repeat it again, the one. No such thing as too young  
**Em**  
Red lights flashing on the car we're kissing in

**G**  
Call me crazy, I've always tried to remind her  
**C**  
That the future's just a few heartbeats away  
**Em**  
from disaster  
**G**  
I'm afraid that I've thrown it all away  
**G**  
No, at the top of our lungs there's no. No, such thing as too  
**C**  
young  
**Em**  
Second chances won't leave you alone  
**G**  
No, at the top of our lungs there's no. No, such thing as too  
**C**  
young  
**Em**  
Second chances won't leave you alone  
**G**  
No, we'll repeat it again, there's no. No such thing as too  
**C**  
young  
**Em**  
Second chances won't leave you alone  
**G**  
Cause there's faith in love  
If you kiss me goodnight  
**C**  
I'll know everything' is alright  
**Em**  
Second chances won't leave us alone  
**Em**  
Won't leave us alone  
**G**  
Cause there's faith in love
