[Verse 1]

Dm F
Baby, pour over
Tell me, are we concrete?
What would you do without my perfect company to your undressed spine?
And I can hear you **Dm F Bb7** drag behind my car by your broken legs
As she stole my only view, may I never blink

[Chorus]

Dm
While you stood over the pavement
I was biting the curb
Sick entertainment

But I'll bet it feels good when you're coming down
Can't bear to wash out the wasted time

Between your lips and mine

[Verse 2]

Dm
Zero friends
Followed your voices into a sea of crosses
She blends in with the foxes gold and feels like home
Under the surface, my love

But beware, beware, beware
F Bb7
And take it slow tonight

We're on the other side of the road
I think we're bleeding out

[Chorus 2]

Dm
While you stood over the pavement
I was biting the curb
Sick entertainment

But I'll bet it feels good when you're coming down
Can't bear to wash out the wasted time

Between our lips

Dm F
So c'mon and swing it back and forth just like
My heart is on a pendulum tonight
See I only wanna watch your clouds linger in the dark

[Verse 3]

Bb7 F
Oh, can't you feel it?
You're feeding on my restless soul
Bb7 F
Oh, can't you see that
It's never enough, it's never enough
Bb7 F
Oh, can't you feel it?
You feed on my restless soul
Bb7 F
Oh, can't you see that

It's never enough, it's never enough

[Interlude 2]

Bb7 F Ab G x2

[Verse 4]

Bb7
Today I saw the whole world
And I think heaven has a plot to take my life
See I'm the one who made you

I'll be the one who brings you down
But this will be the last time

[Chorus]

Dm F
Oh your sick entertainment
But I'll bet it feels good when you're coming down
Can't bear to wash out the wasted time
Between our lips
So c'mon and swing it back and forth just like
My heart is on a pendulum tonight

F **Bb7**

See I only wanna watch your clouds linger in the darkness.
