

Pierre Simões - Açaí

tom: Dm

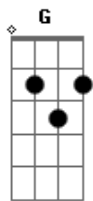

Solidão de manhã
 Poeira tomando assento
 Rajada de vento, som de assombração
 Coração
 Sangrando toda palavra sã
 A paixão puro afã

Místico clã de sereia
 Castelo de areia, ira de tubarão
 Ilusão
 O sol brilha por si
 Açaí, guardiã
 Zum de besouro, um imã
 Branca é a tez da manhã
