

Pierre Simões - Aubrey

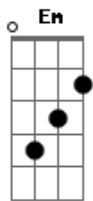

tom:
 And Aubrey was her name
 A not so very ordinary girl or name
 But who's to blame for a love that wouldn't bloom
 For the hearts that never played in tune
 Like a lovely melody that everyone can sing
 Take away the words that rhyme, it doesn't mean a thing
 And Aubrey was her name
 We tripped the light and danced together to the moon
 But where was June? No it never came around
 If it did, it never made a sound
 Maybe I was absent or was listening too fast

Catching all the words but then the meaning going past
 And God, I miss the girl
 And I'd go a thousand times around the world just to be
 Closer to her than to me
 And Aubrey was her name
 I never knew her but I loved her just the same
 I loved her name. Wished that I had found a way
 And the reasons that would make her stay
 I have learned to lead a life apart from all the rest
 If I can't have the one I want, I'll do without the best
 Oh, how I miss the girl
 And I'd go a million times around the world just to say
 She had been mine for a day
