

Pierre Simões - Going To The Sun

Tom: F

Dm **C** **F** **G**
What should be the clear measure of the courage of a man in the adventure?

Dm **C** **F** **G**
What should be the soul quality, needed to face new and greatest challenges?

Dm **C** **F** **G**
What is the meaning of your life if you do not live your time intensely?

Dm **C** **F** **G**
What is the meaning of feelings flowing abundantly from your soul?

Dm
Who knows?

C **F**
Maybe it is there, in the highest cliffs

G **Dm**
In the green of the forest that floods me

C **Gm** **A**
In the coldest air which I had breathed in my life.

Dm
Who knows?

C **F**
It is a gift from God to the human race,

G **Ab**
The hills, lakes, rivers, landscape,
Gm **A**

A beautiful view, along the Sun Road

D
Going to the sun,

G
Logan Pass, here let's come,

C **G**
Running on switchbacks

A
Under snow

D
Going to the sun

G
Windy, iced, dangerous,

C **G**
Hairpins turn, everyone,

D
No troubles

D
Going to the sun

G
Jammer bus, red like blood,

C **G**
Much Snow cornice, big drift

A
Too much cold

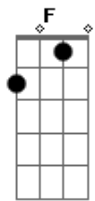

D
Going to the sun,

G
For the worthy Blackfeet folks,

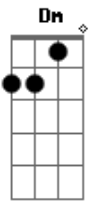

C **G**
Deity Sour Spirit came,

D
To teach hunting
