Pierre Simões - I Shot The Sheriff
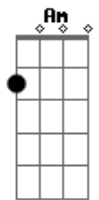

```
                            tom:
                      Am

               Am
I shot the sheriff
 Dm                           Am
But I did not shoot the deputy
Am
I shot the sheriff
 Dm                           Am
But I did not shoot the deputy

 F7  Em        Am
All around in my old town
  F7      Em        Am
They're trying to track me down
     F7              Em           Am
They say they want to bring me in guilty
          F7       Em  Am
For the killing of a    deputy
            F7       Em  Am
For the life of a deputy

But I say

Am
I shot the sheriff
 Dm                           Am
But I swear it was in selfdefence
Am
I shot the sheriff
 Dm                    Am
And they say it is a capital offence

 F7        Em        Am
 Sheriff John Brown always hated me
       F7   Em          Am
For what     I don't know
          F7     Em     Am
Every time I plant a seed
            F7      Em      Am
He said "Kill it before it grow"
            F7     Em         Am
He said "Kill them before they grow"

And so , and so , beat in the news

Am
I shot the sheriff
 Dm                           Am
But I swear it was in selfdefence
```
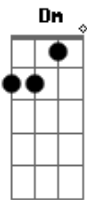

```
Am
I shot the sheriff
 Dm                    Am
But I swear it was in selfdefence

   F7          Em    Am
Freedom came my way one day
          F7   Em      Am
And I started out of town
F7        Em        Am
All of a sudden I saw sheriff John Brown
F7        Em      Am
Aiming to shoot me down
              F7      Em
So I shot, I shot , I shot  him down

And I say

If I am gulty I will pay

Am
I shot the sheriff
 Dm                           Am
But I did not shoot the deputy
Am
I shot the sheriff
 Dm                           Am
But I did not shoot the deputy
       F7            Em    Am
Reflexes got the better of me
            F7      Em      Am
And what is to be must be
            F7     Em     Am
Every day the bucket I go I well
F7          Em          Am
One day the bottom will drop out
F7          Em           Am
One day the bottom will drop out

But I say

Am
I shot the sheriff
 Dm                           Am
But I did not shoot the deputy
Am
I shot the sheriff
 Dm                           Am
But I did not shoot the deputy
```
