

PillowMusic - Microplastics

tom:
Dm

Intro: Dm C

Dm
Those plastics come from everywhere
C
Even when you least expect

Dm
When you wash your clothes
C
The nylon tears apart into a share

Dm
Tires bouncing in the road
C
The microplastics erode

Dm
City dust from the things that we use
C
We really have no excuse

Dm C
Microplastics
Dm C
They are the end of the world

G
Debris in the roads
C Am
When they're marking it loads
Just like paint from the boats
C
We don't like when it corrodes

(Instrumental) G C Am C

G
Don't worry
G
You are pretty
C Am
You don't need that spray
It leaves all filthy

C G
I just fear a little bit
C
If they spill like some milk
Am
The small and ingrate
C
Pellets that we so much hate

[Solo]

Dm C
Microplastics
Dm C
They are the end of the world

Dm C
Microplastics
Dm C
They are the end of the world

Dm
It's not a 20 that will change this planet
C
We get what we plant, so it's time to change this
We have to do something

(INSTRUMENTAL) Dm C (repeat 3x)

Acordes
