

# Pinegrove - Skylight

tom:  
D (forma dos acordes no tom de G )  
Capostrate na 7ª casa

I move through shadow  
I go they go wherever  
Don't they come in  
Whenever I let em  
I climb through  
The skylight  
Whatever you're feeling is alright  
Let you let go  
Whatever you're feeling is natural  
Low light at dawn  
I'll love that song forever  
It's a shadow
