

Pinegrove - Skylight

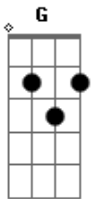

tom:
D (forma dos acordes no tom de G)
Capostrate na 7ª casa

I move through shadow
I go they go wherever
Don't they come in
Whenever I let em
I climb through
The skylight
Whatever you're feeling is alright
Let you let go
Whatever you're feeling is natural
Low light at dawn
I'll love that song forever
It's a shadow
