

Pink Floyd - Coming Back To Life

Tom: **C**
Intro: No chord (**C**)
(keyboard fade in)

VERSE:
C Where were you when I was burned and broken,
Am While the days slipped by, from my window watching?
C And Where were you when I was hurt and I was helpless?
Am Beause the things you say and the things you do surround me.
Am While you were hanging yourself on someone else's words,
Am Dying to believe in what you heard,
Am I was staring straight into the shining sun.
C2 Lost in thought and lost in time,
Am While the seeds of life and the seeds of change were planted.
C2 Outside the rain fell dark and slow,
Am While I pondered on this dangerous but irresistible pastime.
Am I took a heavenly ride through our silence.
Am I knew the moment had arrived
Am For killing the past and coming back to life.
