Pink Floyd - Crying Song
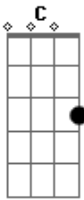

Tom: C

```
    D          D
We smile and smile
    D          D
We smile and smile
D                      G       Em  D
Laughter echoes in your eyes
    D          D
We climb and climb
    D          D
We climb and climb
D                      G       Em  D
Foot falls softly in the pines
```

```
    D          D
We cry and cry
    D          D
We cry and cry
D                      G       Em  D
Sadness passes in a while
    D          D
We roll and roll
    D          D
We roll and roll
D                      G       Em  D
Help me roll away the stone
```
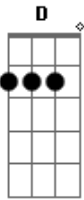

Riff: tocado logo após o final de cada verso
