Verso 1:

Beyond the horizon of the place we lived when we were vouna

In a world of magnets and miracles Our troughts strayed constandly and without boundary The ringing of the division bell had begin

> Along the long road and on down the causeway Do they still meet there by the cut

There was a ragged band that followed in our footsteps Running before time took our dreams away Leaving the myriad small creatures trying to tie us to

To a life consumed by slow decay

Refrão:

The grass was greener The light was brighter With friends surrounded The night of wonder

Verso 3:

Looking beyond the embers of bridges glowing behind us To a glimpse of how green it was on the other side Steps taken forwards but sleepwalking back again Dragged by the force of some inner tide

At a higher altitude with flag unfuried

We reached the dizzy heights of that dreamed of world

Ponte: (Violão)

Verso 4:

Encumbered forever by desire and ambition There's a hunger still unsatisfied Our weary eyes still stray to the horizon Though down this road we've been so many time

Refrão 2x:

The grass was greener The light was brighter The taste was sweeter The nights of wonder With friends surrounded The dawn mist glowing The water flowing The endless river Forever and ever
