Into the distance, a ribbon of black

A flight of fancy on a windswept field

No navigator to find my way home

Unladen, empty and turned to stone

Above the planet on a wing and a prayer,

My grubby halo, a vapour trail in the empty air,

Out of the corner of my watering eye

A dream unthreatened by the morning light
Em
Could blow this soul right through the roof of the night

There's no sensation to compare with this
