

Pink Floyd - Lost For Words

Tom: **C**

Violão 1:

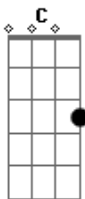

Violão 2:

I was **F** spending my time in the **C** doldrums
 I was **F** caught in a **C** cauldron of hate
 I felt **F** persecuted and **Am** paralysed
 I thought **G** that everything else would just **F** wait
 While you are **F** wasting your time on your **C** enemies
 Engulfed **F** in a **C** fever of **Am** spite
 Beyond **G** your **F** tunnel vision reality fades

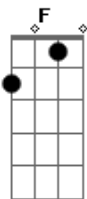

I was...

Like shadows into the night
 To martyr yourself to **F** caution
 Is not going to help at all
 Because there'll be no safety in numbers **Am**
 When the Right One walks out of the door **F**
 (**D F Bb Am Bb Dm F D**)
 Can you see your days blighted by darkness? **C**
 Is it true you beat your fists on the floor? **G**
 Stuck in a world of isolation **Em**
 While the ivy grows over the door **D**
 So I open my doors to my enemies **C**
 And I ask could we wipe the slate clean **G**
 But the tell me please go fuck myself **Em**
 You know you just can't win **C**
