

Pink Floyd - The final cut

Tom: F
Through the fish-eyed lens of tear stained eyes____
I can barely define the shape of this moment in time
And far from flying high in clear blue skies____,
I'm spiralling down to the hole in the ground where I hide

Bb F ::
If you negotiate the minefield in the drive, ::
Bb F ::
And beat the dogs and cheat the cold electronic eyes, ::
Bb C Dm ::
And if you make it past the shotgun in the hall, ::
Gm ::
Dial the combination, open the priesthole ::

And if I'm in I'll tell you what's behind the wall. ::
Am F
There's a kid who had a big hallucination
Making love to girls in magazines
Bb Dm
He wonders if you're sleeping with your new found faith
Gm
Could anybody love him
/ C F F C Bb F
Or is it just a crazy dream____?

And if I show you my dark side
Will you still hold me tonight?
And if I open my heart to you

And show you my weak side,
What would you do?

Bb F
Would you sell your story to Rolling Stone? ::

Bb ::
Would you take the children away ::

F ::
And leave me alone? ::

Bb C ::
And smile in reassurance ::

Dm ::
As you whisper down the phone, ::

Gm ::
Would you send me packing, ::

C F
Or would you take me home?

(Am F Am C Bb Dm Gm C F)
