

Pink Floyd - Time (Pot-pourri)

tom:
Gbm **A**
 Ticking away the moments
 That make up a dull day
E **Gbm**
 You fritter and waste the hours
 In an off hand way
Gbm **A**
 Kicking around on a piece of ground
 In your home town
E **Gbm**
 Waiting for someone or something
 To show you the way
D
 Tired of lying in the sunshine
A
 Staying home to watch the rain
D
 You are young and life is long
A
 And there is time to kill today
D
 And then one day you find
Dbm
 Ten years have got behind you
Bm
 No one told you when to run
 Riff 4 **E**
 You missed the starting gun
 [Solo] **Gbm** **A** **E** **Gbm**
Gbm **A** **E** **Gbm**
Gbm **A** Riff 5
 And you run and you run to catch up with the sun
 But it's sinking
E **Gbm** Riff 2
 And racing around to come up behind you again
Gbm **A** Riff 6
 The sun is the same in the relative way
 But you're older
E **Gbm**
 And shorter of breath
 And one day closer to death
D
 Every year is getting shorter
A
 Never seem to find the time
D
 Plans that either come to naught
A
 Or half a page of scribbled lines
D
 Hanging on a quiet desperation
Dbm
 Is the english way
Bm
 The time is gone, the song is over
B7 **B7**
 Thought i'd something more to say
 (**Em** **A7**)
Em **A7** **A7** **A7**
 Home, Home again
Em **A7**
 I'd like to be here when I can
Em **A7**
 When I come home cold and tired

Em **A7**
 It's good to warm my bones beside the fire
C
 Far away, across the field
Bm
 The tolling of the iron bell
F
 Call the faithful to their knees
G **D7** **D7**
 To hear the softly spoken magic spells
Em **A** **A** **A**
 Breathe, breathe in the air
Em **A** **A** **A**
 Don't be afraid to care
Em **A** **A** **A**
 Leave but don't leave me
Em **A** **A** **A**
 Look around and choose your own ground
C
 For long you live and high you fly
Bm
 And smiles you'll give and tears you'll cry
F
 And all you touch and all you see
G **D7** **D7**
 Is all your life will ever be
Em **A** **A** **A**
 Run, run rabbit run
Em **A** **A** **A**
 Dig that hole, forget the sun
Em **A** **A** **A**
 And when at last the work is done
Em **A** **A** **A**
 Don't sit down it's time to dig another one
C
 For long you live and high you fly
Bm
 But only if you ride the tide
F
 And balanced on the biggest wave
G **D7** **D7** **Em**
 You race toward an early grave
 (**Em** **A7** **A** **A7**)
 (**F** **G** **Gb**)
Bm
 Hello
A
 Is there anybody in there ?
G **Gbm** **Em**
 Just nod if you can hear me
Bm
 Is there anyone at home?
 Come on now
A
 I hear your feeling down
G **Gbm** **Em**
 I can ease your pain
Bm
 And get you on your feet again
 Relax
A
 I'll need some information first
G **Gbm** **Em**
 Just the basic facts
Bm
 Can you show me where it hurts?
D **A**
 There is no pain you are receding
D **A** **G**
 A distant ship smoke on the horizon
C **G**
 You are only coming through in waves
C **G**

Your lips move but I can't hear what you're saying

When I was a child I had a fever
My hands felt just like two balloons
Now I've got that feeling once again

I can't explain, you would not understand

This is not how I am
I have become comfortably numb

[Solo]

I have become comfortably numb
O.k

Just a little pinprick
There'll be no more aaaaaaaah!
But you may feel a little sick

Can you stand up?

I do believe it's working, good
That'll keep you going through the show

Come on it's time to go

There is no pain, you are receding
A distant ship smoke on the horizon
You are only coming through in waves

Your lips move but I can't hear what you're saying
When I was a child, I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone

I cannot put my finger on it now

The child is grown
The dream is gone
And I have become comfortably numb
()

So, so you think you can tell

Heaven from hell, Blue skies from pain
Can you tell a green field
From a cold steel rail, A smile from a veil?

Do you think you can tell?
Did they get you to trade

Your heroes for ghosts, Hot ashes for trees
Hot air for a cool breeze

Cold comfort for change? Did you exchange
A walk on part in the war

For a lead role in a cage?

How I wish, how I wish you were here
We're just two lost souls

Swimming in a fish bowl

Year after year
Running over the same old ground

What have we found?

The same old fears
Wish you were here

Acordes
