

Pink Floyd - What Do You Want From Me?

Tom: **E**

Cifra por: Márcio Garcia

TAB

Intro: (w/wah Clean ? Cry Baby)

(wah off)

gtr.1 (w/dist.)

As you

look around this room tonight
Settle in your

seat and dim the lights

Do you want my blood?
you want

(What do you want from me?)

can't sing anymore

Play the strings till my fingers are raw

ah..., ah, ah... You're so hard to please

What do you want from me?

Do you think that I know something you don't know

If I don't promise you the answers would you go

Should I stand out in the rain
make a daisy chain

for you...ah.....I'm not the one you need

What do you want from me?

(Tocar dedilhando com ?chorus?)

Dbm You can have anything you want **Ab**

B You can drift, you can dream, even walk on water

A Anything you want

Dbm You can own everything you see **Ab**
B

Sell your soul for complete control

A Is that really what you need

Dbm You can lose yourself this night **Ab**

B See inside there is nothing to hide

A Turn and face the light

Ah..., ah, ah, ah, ah, áh...

What do you want from me?
