```

Cold comfort for change? Did you exchange A walk on part in the war

```
So, so you think you can tell
Heaven from hell, blue skies from pain \frac{D}{D}
Can you tell a green field
From a cold steel rail
```

A smile from a veil? Do you think you can tell? Did they get you to trade Your heroes for ghosts

Hot ashes for trees

[Primeira Parte]

Hot air for a cool breeze

For a lead role in a cage?

[Refrão]

How I wish

How I wish you were here

We're just two lost souls Swimming in a fish bowl

Year after year

Running over the same old ground

What have we found?

The same old fears

Wish you were here
