

Pink Sweat\$ - 17

tom:

Intro:

[Primeira Parte]

I would need a million words
If I tried to define
All the things you mean to me, yeah
For you, I'd die a thousand lives
Special kind of energy
Cause love is born when hearts collide
Every time you touch me
You remind me that I'm still alive

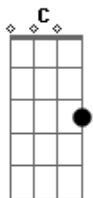

[Refrão]

So promise you'll never change
And I'll always be the same
We'll be dancing the same groove
When we're ninety-two
The same as seventeen
And I'll never lie to you
Just don't you hold back on me
I wanna love you as strong
When we're ninety-two
The same as seventeen

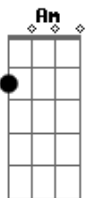

[Segunda Parte]

I don't really know what's right
But I could never call you wrong
I just wanna dance with you

Floating over marble floors
You're something like an angel
You do something to my mind
I could see a thousand years
When I'm lookin' in your eyes
[Refrão Final]

So promise you'll never change
And I'll always be the same
We'll be dancing the same groove
When we're ninety-two
The same as seventeen
And I'll never lie to you
Just don't you hold back on me
I wanna love you as strong
When we're ninety-two
The same as seventeen

So promise you'll never change
And I'll always be the same
We'll be dancing the same groove
When we're ninety-two
The same as seventeen
And I'll never lie to you
Just don't you hold back on me
I wanna love you as strong
When we're ninety-two
The same as seventeen
