Pink - A Million Dreams

```
                              tom:
                 Em

             G       D         Em
I close my eyes and I can see
           C           G
The world that's waiting up for me
    D       C
That I call my own
G      D             Em
Through the dark, through the door
        C         G
Through where no one's been before
      D        C
But it feels like home

D              Em            C
They can say, they can say it all sounds crazy
D              Em           C
They can say, they can say I've lost my mind
D                Em            C
I don't care, I don't care, so call me crazy
D          Em           C
We can live in a world that we design

    G
'Cause every night I lie in bed
  D
The brightest colors fill my head
 Am                    C
A million dreams are keeping me awake
  G
I think of what the world could be
 D
A vision of the one I see
 Am                          C
A million dreams is all it's gonna take
A million dreams for the world we're gonna make

G      D        Em
There's a house we can build
   C          G
Every room inside is filled
   D          C
With things from far away
G       D        Em
The special things I compile
     C           G
Each one there to make you smile
  D     C
On a rainy day

D              Em            C
They can say, they can say it all sounds crazy
D              Em           C
They can say, they can say we've lost our minds
D                Em              C
I don't care, I don't care if they call us crazy
D      Em           C
Runaway to a world that we design

G
Every night I lie in bed
  D
The brightest colors fill my head
 Am                    C
A million dreams are keeping me awake
  G
I think of what the world could be
 D
A vision of the one I see
 Am                          C
A million dreams is all it's gonna take
A million dreams for the world we're gonna make

Em   Em7        Em7
However big, however small
     A       C
Let me be part of it all
         G      D
Share your dreams with me
Em      Em7           Em7
You may be right, you may be wrong
              A       C
But say that you'll bring me along
          G
To the world you see
              C
To the world we close our eyes to see
        G      D
We close our eyes to see

G
Every night I lie in bed
  D
The brightest colors fill my head
 Am                    C
A million dreams are keeping me awake (a million dreams, a
million dreams)
  G
I think of what the world could be
  D
A vision of the one I see
 Am                          C
A million dreams is all it's gonna take
 C                        G   D  ( Em ) C
A million dreams for the world we're gonna make

For the world we're gonna make
