

# Pink - All I Know So Far

tom:

E

[Primeira Parte]

Haven't always been this way

I wasn't born a renegade

I felt alone, still feel afraid

I stumbled through it anyway

[Pré-Refrão]

I wish someone would have told me

That this life is ours to choose

No one's handing you the keys or

A book with all the rules

The little that I know

I'll tell to you

When they dress

You up in lies

And you're left

Naked with the truth

[Refrão]

You threw your head back

And you spit in the wind

Let the walls crack

'Cause it lets the light in

Let 'em drag you through hell, they

Can't tell you to change who you are

That's all I know so far

And when the storm's out

You run in the rain

Put your sword down

Dive right into the pain

Stay unfiltered and loud

You'll be proud of that

Skin full of scars

That's all I know so far

That's all I know so far

[Segunda Parte]

So you might give yourself away, yeah

And pay full price for each mistake

But when the candy-coating hides the razor blade

You can cut yourself loose and use that rage

[Pré-Refrão]

I wish someone would have told me

That this darkness comes and goes

People will pretend but baby

Girl, nobody knows

And even I can't teach you how to fly

But I can show you have to live

Like your life is on the line

[Refrão]

You threw your head back

And you spit in the wind

Let the walls crack

'Cause it lets the light in

Let 'em drag you through hell, they

Can't tell you to change who you are

That's all I know so far

And when the storm's out

You run in the rain

Put your sword down

Dive right into the pain

Stay unfiltered and loud

You'll be proud of that

Skin full of scars

That's all I know so far

[Pós-Refrão]

That's all I know

That's all I know so far

That's all I know

That's all I know so far

That's all I know

That's all I know

That's all I know

That's all I know so far

[Ponte]

I will be with you 'til

The world blows up, yes

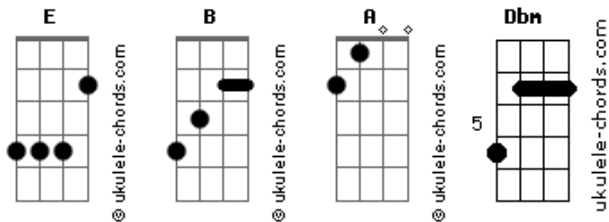

Up and down and through 'til

The world blows up, yeah  
 When it's right or it's all fucked up '  
 Til the world blows up, '  
 Til the world blows up  
 And we will be enough and  
 Until the world blows up  
 [Refrão]

You threw your head back  
 And you spit in the wind  
 Let the walls crack  
 'Cause it lets the light in  
 Let 'em drag you through hell, they  
 Can't tell you to change who you are  
 That's all I know so far

And when the storm's out  
 You run in the rain
