

# Pink - Better Life

Tom: **G**

[Primeira Parte]

**E**  
I've been up late watching you breathe  
**B**  
Wondering if you're gonna leave  
**B**  
Don't tell me what you see  
**Dbm**  
That you actually believe it  
**A**  
Fuck, I'm blue  
**E**  
**B**  
And all those photos that you like of a better life, better wife, better nights, better high  
**Dbm**  
Goddamn right I miss drinking  
**A**  
Yeah, I do

[Pré-Refrão]

**E**  
I've been up late nights  
**B**  
Staring at the street lights  
**Dbm**  
All the cigarette smoke, can't escape a closing window  
**E**  
And my head's like "What happened to, it's alright?"  
**Dbm**  
Baby, It's not alright  
**A**  
What if we're a closing window?

[Refrão]

**E B**  
But I can't shake the feeling  
**A**  
That you picture a better life, better wife, better nights, better high  
**E B**  
I can't shake the feeling (I can't shake the feeling)  
**E**  
Do you picture a better life?

[Segunda Parte]

**E**  
I found myself up late feeling kinda jealous  
**B**  
Looking at the bullshit, other people's wellness  
**Dbm**  
And it's got me thinking  
**A**  
It's just not you (not you)  
**E**  
I've been all night looking in the eyes of my baby  
**B**  
Right in front of me, what a gift, so amazing  
**A**  
Oh, that's what's true

[Pré-Refrão]

**E**  
But I stay up late night

**B**  
Screaming at the street lights  
**Dbm**  
All the cigarette smoke, filling up these hopeless lungs  
**E**  
Oh, and my head's like "What happened to, it's alright?" (What's happened?)  
**Dbm**  
Baby, It's not alright  
**A**  
I feel like a closing window

[Refrão]

**E B**  
But I can't shake the feeling (No, I can't shake the feeling)  
**A**  
That you picture a better life, better wife, better nights, better high  
**E B**  
I can't shake the feeling (I can't shake the feeling, my baby)  
**Dbm**  
Do you picture a better life?  
**E**

[Ponte]

**E**  
I can't seem to understand it  
**B**  
How did we get so low?  
**Dbm**  
**A**  
No, no, no  
**E**  
I can't seem to understand it  
**B**  
How did we get so low? (How?)  
**Dbm**  
**A**  
No, no, no

[Refrão]

**E B**  
But I can't shake the feeling  
**Dbm**  
(I can't seem to understand it, how did we get so low?)  
**A**  
That you picture a better life, better wife, better nights, better high (no, no, no)  
**E B**  
I can't shake the feeling  
**Dbm**  
(I can't seem to understand it, how did we get so low?)  
**A**  
Ooh, do you picture a better life?  
**E**

**B**  
Ooh  
**Dbm**  
Do you picture a better life?  
**A**  
Ooh, do you picture a better life?  
**E**  
And I wonder, and I wonder  
**B**

**Dbm**  
Do you picture a better life?  
(Mmm, can't shake the feeling)  
**Dbm**  
And I wonder (I can't shake the feeling)  
**A**  
Do you picture  
**E**  
Do you picture a better life?  
( **B** **Dbm** **A** )
