Pink - Eventually

Tom: Bb

   Gm | Cm | F | Bb |

Gm | Cm | F | Bb |

I'm an opportunity and I knock so softly

Gm | Cm | F | Bb |

Sometimes I get loud when I wish everybody'd just get off me.

Gm | Cm |

So many players you'd think I was a board game.

F | Bb D |

It's every man for themselves there are no team-mates.

Cm | F | Bb | Gm |

This life gets lonely, when everybody wants something.

Cm | Gm | F | Eb D | Gm

They'll smile up in your face, but they'll get theirs eventually and I hope I'm there.

Cm | F |

Surrounded by familiar face with no names.

Bb | Gm |

None of them know me or want to share my pain.

Cm | F | Bb D |

They only want to bask in my light then fade away.

To win my love to them a game, to watch me live my life in vain.

When all is done and the glitter fades, fades away

they'll get theirs eventually and I hope I'm there.

Bb | F | Cm | Gm7 |

I drank your poison, cause you told me it's wine.

Bb | F | Cm | Gm |

Shame on you if you fooled me once, shame on me if you fooled me twice.

Bb | F | | Gm

Cause I didn't know the price. You'll get yours eventually.
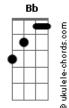

| Cm | F7 | Bb

So what good am I to you if I can't be broken?
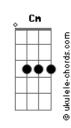

Eb7 | D | Gm | Gm (rit.) |

You'll get yours, yes you'll get yours eventually.
