

Pink - Fingers

```
Tom: C
                                                             (I?m begging???????....suggestion!)
Intro:
                                                           (I bite my???????.....scream!)
(DRUMS)
( 0:19 secs)
                                   x2
                                                          (I?m almost??????..at me!)
E| -5-5-5-5-5-5-5-5-5-5-5-5-
                                                         Chorus
                                                                   (when it?s)
(This is played on bass but can be played on guitar !)
                                                                                        ХЗ
                                                          (late at ???????sleep)
(I?m alone.....ceiling)
                                                         4th time play this
 (I?m kinda.....sleep)
                                                         Bridge
                                                                                                   Χ4
 (and you.....complete)
                                                         Verse 3
 (and when.....dream)
Chorus
           (when it?s)
                                                           (I?m restless.....caffeine)
                                ХЗ
(late at ???????sleep)
                                                           (but I?m??????.see)
4th time play this
                                                          (cuz I.....give!)
                                                         final Chorus
                                                                         (when it?s)
                                                                                       Х3
Pre verse ? can be play two ways
                                                          (late at ??????sleep)
                                                         4th time play this
(or)
E| -5-5-5-5-5-5-5-5-5-5-5-5----|
                                                          (late at ???????sleep)
Verse 2 >>>>>> (=10)
                                                         4th time play this
 (I?m starving???????....attention!)
                                                         Outro
                                                                                                  x2
```
