

# Pink - For Now

Tom: **E**  
**E**  
Remember that time we were just kickin'?  
**B**  
But nothing had changed, nothing was really different  
**A**  
Then love showed its teeth  
Like it's something vicious  
**B**  
No, no, no, let me finish  
**E**  
Ain't it something when it all goes tragic  
**B**  
How a spell can get casted onto something magic  
**A**  
What I wouldn't give to get back to where we had it  
**B**  
Oh, it should've lasted

**E**  
Now it's like I lied  
When I said I didn't need you  
**B**  
Alright, if you'd left, I'd never be  
**A**  
Tonight can we just get it right  
**B**  
Somehow, for now

**E**  
Freeze frame, pause, rewind, stop  
**B**  
And get back to the older familiar thoughts  
**A**  
Can we just freeze frame, pause, rewind, stop  
**B**  
And get back to the feelings  
We think we lost?  
For now

**E**  
Oh, I'm so goddamn mean  
**B**  
'cause I, I, I say and I do things  
**A**  
That I shouldn't sometimes  
**B**  
My mouth gets me in trouble all the time

**E**  
But now it's like I lied  
When I said I didn't need you  
**B**  
I'd die, if you'd left, I'd never be  
**A** **B**  
Alright, can we just get it right somehow  
For now

**E**

Freeze frame, pause, rewind, stop  
**B**  
And get back to the older familiar thoughts  
**A**  
Can we just freeze frame, pause, rewind, stop  
**B**  
And get back to the feelings  
We think we lost?  
**E**  
For now  
**B**  
For now  
**A**  
Can we just freeze frame, pause, rewind, stop  
**B**  
And get back to the feelings  
We think we lost?  
For now

**E**  
Remember that time we were just kickin'?  
**B**  
But nothing had changed, nothing was really different  
**A**  
Then love showed its teeth  
Like it's something vicious  
**B**  
No, no, no, let me finish  
For now

**E**  
Freeze frame, pause, rewind, stop  
**B**  
And get back to the older familiar thoughts  
**A**  
Can we just freeze frame, pause, rewind, stop  
**B**  
And get back to the feelings  
We think we lost?  
(We lost)  
**E**  
For now  
**B**  
For now

**A**  
Can we just freeze frame, pause, rewind, stop  
**B**  
And get back to the feelings  
We think we lost?  
**E**  
For now  
**B**  
For now

**A**  
Can we just freeze frame, pause, rewind, stop  
**B**  
Get back to the feelings  
We think we lost?  
**E**  
For now
