Chords: Gbm - D - A - E
Nothing high class in my glass
Only bottles of pop
My bottles are popped so when I pop up in the spot
Im probably not gonna be wanting to pop bubbly or Ciroc
I'm not Puffy but I'ma run this city tonight
When I hit it, I might act like a frickin' idiot
Diddy mixed with a medieval knight, big city lights
Little indignity, hot diggity
This Biggie is gettin' me hype
I don't get some liquor, I'll hurt you
I'll knock your d-ck in the dirt, bickerin' worse
Than that b-tch in that Snickers commercial
A mixture of Stiffler and Urkel
Hangin' from the light fixture
I hope you pricks are insured for this building
Cuz we're tearin' it down, security get out
The frickin' way, Jesus Christ the blaring is loud
I swear the only thing I hear is the sound
Of sirens going eeeeeh cause....
