

Pink - Where We Go

Tom: Eb

Cm Bb Eb Ab
Got a hole in my head and my heart tonight
Eb
Well you shot me down, you just ain't right
Bb
Comes a time when you know you must let go
Ab Bb
I know, I know
Ab
We fixed it, but it's broken
Cm Bb Eb Ab
Got a feeling we gonna get this wrong
Bb
And even I can't be this strong
Ab Bb
It's a breath that you take right before you die
Ab
We lie and lie
Ab
Can't say we didn't try though
Cm Bb Eb
So here we go
Ab Eb
Take my body, not my soul
Ab Eb Bb
Took me high and left me low
Ab
I honestly never imagined we'd get this far

Cm
There's a road that takes me home
Ab Eb
Take me fast or take me slow
Cm
Throw my head out the window
Ab Eb
Feel the wind, make me whole
Cm
Write my name up in the sky
Ab Eb
As we contemplate goodbye
Cm Cm Ab Eb
I don't know, we don't know, where we go

Cm Bb Eb Ab
There's not a holy man or prayer in sight
Eb
There's not a priest around to read our rights
Bb
There's no magic ball to save our lives
Ab Bb
I know, I know
Ab
We've both always been broken
Cm Bb Eb Ab
But you had a way of making me forget
Eb
All the sadness rollin' 'round my head
Bb
Well, that was until I wished us dead
Ab
You had my heart
Ab

I wish you would have kept it

Cm Bb Eb
This world we know
Ab Eb
It takes our bodies, not our souls
Ab Eb Bb
It takes us high and leaves us low
Ab
But they honestly never imagined we'd get this far

Cm
There's a road that takes me home
Ab Eb
Take me fast or take me slow
Cm
Throw my head out the window
Ab Eb
Feel the wind, make me whole
Cm
Write my name up in the sky
Ab Eb
As we contemplate goodbye
Cm Cm Ab Eb
I don't know, we don't know, where we go

Cm
Death is in the air tonight
Ab Eb
I can smell the fear inside
Cm
We can see when we close our eyes
Ab Eb
That's it's alright, it's alright
Cm
Promise me you'll stay with me
Ab Eb
If just for one more night
Cm
You can hold me honestly
Ab
'Cause it's alright, it's alright

Cm
There's a road that takes me home
Ab Eb
Take me fast or take me slow
Cm
Throw my head out the window
Ab Eb
Feel the wind, make me whole
Cm
Write my name up in the sky
Ab Eb
As we contemplate goodbye
Cm Cm Ab Eb
I don't know, we don't know, where we go

Cm
There's a road that takes me home
Ab Eb
Take me fast or take me slow
Cm Cm
I don't know, we don't know
Ab Eb
Take me home
