Pink - Words

Tom: C

```
   Am C 2X

Am C G D

    Am C Am              C
Take Y, take the letter
         Am          C    G    D
Take it out of the alphabet
        Am    C Am              C
Don't ask me why, no more questions
        Am          C    G    D
Just accept it for the way it is
```

[Chorus]
```
F                C
Words are just words
F                C
The get in my way
F
I can never say what I wanna say
C
Who will unerstand it anyways?
E
It's just a waste

    Am C Am     C
Take "M"..  Mmm mmm mmm
       Am        C
It's so lovely, so delicious
         G        D
It's says it all
         Am   C
I don't like "X"

 G              D     E
Twisting my words so easily
```

[Chorus]
```
F                C
Words are just words
F                C
The get in my way
F
See,like right now
C
I wanna tell you that love you
E
But I don't know how
Ooooh ohh

        Am        C           F
Put the "H" with "A" with the "T" "E"
         Am    C         F
Give it power, you could destroy me
           Am          C         F
But put the "L" with the "O" with the "V" "E"
             E          E                    E
Give that power and you don't have to say anything, no
Am   C   Am        C
Anything yeah yeah yeah
Am C G D
Ohh

F                C
Words are just words
F                C
They get in my way
F                C
Words are just words
F                C
They get in my way

    Am      C
Take "B"
                 E     E
And just let it be... be
