

PinkPantheress - Stateside + Groove Armada

tom:

Bbm

I'm freezing outside, I feel my skin tight
 My coat is inside, but I look up at you
 I tracked your plane ride for when you're in tonight
 Tell me, when is the next time I'll run into you?

It sounds insane, right? (Uh-huh)
 I'll take the same flight (mm, uh-huh)
 Wait at your bedside (uh-huh)
 I'll land right next to you (mm, uh-huh)
 I'm going stateside (uh-huh)
 Where I'll see you tonight (mm, uh-huh)
 Tell me, how did a girl like me get into you? (Yeah, oh)

You could be my American, ha, ha, ha, ha
 (You could be my American, ha, ha, ha, ha)

Is it right? I don't know
 But you're taking my control
 Never been abroad before
 Now I'm knocking through your door
 But you're nice, so I'll stay
 Never met a British girl, you say?
 No one treats me this way
 Are all boys out here the same?

What can I say? (Uh-huh) what can i do? (Uh-huh)
 I'm tryna be the girl that you're talking to (uh, uh-huh)
 And maybe you could be my American ha, ha boy
 He could be my American ha, ha boy
 Why can't you say that you want it too? (Uh-huh, uh-huh)
 I'm flying intercontinental with you (you)
 And maybe you can be my American ha, ha boy
 You can be my American, ha, ha

Ha, ha, ha, ha, ha, ha, ha, ha
 Ha, ha, ha, ha, ha, ha, ha, ha
 Get into you, a girl like me

Get into you, a girl like me
 Get into you, a girl like me
 Get into you, a girl like me
 Get into you, a girl like me
 Get into you, a girl like me
 Ha, ha, ha, ha, ha, ha, ha, ha
 Ha, ha, ha, ha, ha, ha, ha, ha

What can I say? (Uh-huh) what can i do? (Uh-huh)
 I'm tryna be the girl that you're talking to (uh, uh-huh)
 And maybe you could be my American ha, ha boy
 He could be my American ha, ha boy
 Why can't you say that you want it too? (Uh-huh, uh-huh)
