

# Pitty - Bizarre Love Triangle

Tom: **C**

( **F** **G** **Em** **F** )

Every time I think of you  
I get a shot right through into a bolt of blue  
It's no problem of mine but it's a problem I find  
Living a life that I can't leave behind  
There's no sense in telling me  
The wisdom of a fool won't set you free  
But that's the way that it goes  
And it's what nobody knows

And every day my confusion grows

( **F** **G** **Em** **F** )

Every time I see you falling  
I get down on my knees and pray  
Waiting for that final moment  
You say the words that I can't say

( **F** **G** **Em** **F** )

Every time I see you falling  
I get down on my knees and pray  
Waiting for that final moment  
You say the words that I can't say
