

Pixie Labrador - Whats It Like

tom:
 D (forma dos acordes no tom de G)
 Capotraste na 7ª casa
 Intro: G Cadd9 Em7 D Cadd9

[Primeira Parte]

Well she's pretty and kind
 And there are no words to describe
 The heads turning, faces light up
 Just to see her walk in a room full of people
 Who wish they could move just like her
 And I know from a distance
 That I can't compare
 To the burn in her eyes
 Or the love that she bares
 It's too much to hand over
 But you never cared
 For as long as your heart was with her
 And I don't know about second chances at love
 But one thing I know's that you gave her too much

[Refrão]

What's it like to not have to try
 What's it like to be perfect in someone else's eyes
 What's it like to be more than your darling ever dreamed
 What's it like to know who you are and who you're meant to be
 What's it like to come running back to hearts that you've hurt
 What's it like to have someone you never deserved
 What's it like to be wrong but your 'sorry's are never
 rehearsed

And what's it like to be loved by her

(G Cadd9)

[Segunda Parte]

No one understands her
 And you'll never know
 Just how lucky you are
 To hold her in your arms
 What I'd do
 To have that too
 Oh, Darling, I do, do, do

Acordes

So how could this happen?

She promised on me
 That whatever we're lacking, she couldn't see
 Was it her fault to mention
 Or my fault to carelessly believe?
 And you'll try to brave, hidden colors breakthrough
 And I thought I knew love 'till you found someone new
 [Refrão]

What's it like to not have to try
 What's it like to be perfect in someone else's eyes
 What's it like to be more than your darling ever dreamed
 What's it like to know who you are and who you're meant to be
 What's it like to come running back to hearts that you've hurt
 What's it like to have someone you never deserved
 What's it like to be wrong but your 'sorry's are never
 rehearsed
 And what's it like to be loved by her
 Oohhhhhh (Heeer)
 It was always her, her, her

[Terceira Parte]

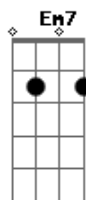

What's it like to be completely blind
 What's it like to be loved and toss it all aside
 When you would cheat
 And lie
 And kiss other guys
 When it was always your name that she'd cry
 (I loved you no matter what)
 What's it like to come running back to hearts that you've hurt
 What's it like to have someone you never deserved
 What's it like to be wrong but your 'sorry's are never
 rehearsed
 And when everything's over
 She'll take it all back
 Regret that she left you
 Cause you're all she had
 And though I stayed true, the one who left the other was you
 So goodbye cause this is my
 Last song for you
