tom:
D (forma dos acordes no tom de G)
Capo: 7ª casa
Intro: G Cadd9 Em D Cadd9

[Primeira Parte]

G
Well she's pretty and kind
Cadd9
And there are no words to describe

The heads turning, faces light up
Em D
Just to see her walk in a room full of people
Cadd9
Who wish they could move just like her
G
And I know from a distance

That I can't compare
Cadd9
To the burn in her eyes

Or the love that she bares
Em
It's too much to hand over
D
But you never cared
Cadd9
For as long as your heart was with her
Em Cadd9
And I don't know about second chances at love
Em C
But one thing I know's that you gave her too much

[Refrão]

G
What's it like to not have to try
Cadd9
What's it like to be perfect in someone else's eyes
Em D
What's it like to be more than your darling ever dreamed
Cadd9
What's it like to know who you are and who you're meant to be
G
What's it like to come running back to hearts that you've hurt
Cadd9
What's it like to have someone you never deserved
Em D Cadd9
What's it like to be wrong but your 'sorry's are never
rehearsed

Em Cadd9
And what's it like to be loved by her

(G Cadd9)

[Segunda Parte]

G
No one understands her
And you'll never know
Cadd9
Just how lucky you are
To hold her in your arms
Em
What I'd do
D
To have that too
Cadd9
Oh, Darling, I do, do, do
G

Acordes

So how could this happen?

She promised on me
Cadd9
That whatever we're lacking, she couldn't see
Em
Was it her fault to mention
D Cadd9
Or my fault to carelessly believe?
Em Cadd9
And you'll try to brave, hidden colors breakthrough
Em C
And I thought I knew love 'till you found someone new

[Refrão]

G
What's it like to not have to try
Cadd9
What's it like to be perfect in someone else's eyes
Em D
What's it like to be more than your darling ever dreamed

[Terceira Parte]

G
What's it like to be completely blind
Cadd9
What's it like to be loved and toss it all aside
Em
When you would cheat
And lie

And kiss other guys

When it was always your name that she'd cry
(I loved you no matter what)

Cadd9
What's it like to have someone you never deserved
Em D Cadd9

G

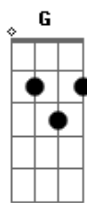

And when everything's over

She'll take it all back
Cadd9
Regret that she left you

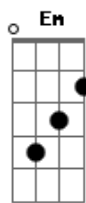

Cause you're all she had
Em D Cadd9
And though I stayed true, the one who left the other was you
Em Cadd9
So goodbye cause this is my
G
Last song for you
